

THE UNRECABLES

TRIP RULES & GUIDELINES

TRIP RESERVATION FORMS: Forms and trip fees are mandatory for all skiers--students and instructors--at least two weeks prior to each trip. Each person must fill out one form per person per trip completely, when you are leaving, coming back, and with whom. An incomplete form is grounds for not being accepted on the trip. Your check **must** be attached to your Trip Reservation Form.

CANCELLATIONS: No refunds if you cancel after the reservation deadline. Extraneous circumstances may be worked out only with the Board. Disabled skiers will be accommodated on the availability of instructors and equipment. If a disabled skier is cancelled by the club, their reservation will have priority on the next trip.

TRANSPORTATION: The Unrecables do not provide transportation. Each person is responsible for their own rides.

LIFT TICKETS: The Unrecables will provide students and instructors with a complimentary ski ticket. **Tickets are distributed between 8:00am and 8:45am** and you must personally sign for your lift ticket at this time, or forfeit your free lift ticket for that day. This rule will be strictly enforced. Anyone who sells or gives away this ticket will be expelled from subsequent club activities. You may also be subject to legal action directly by Mammoth Mountain Ski Area, and The Unrecables may lose its privileges from skiing at Mammoth Mountain. The lift tickets are for The Unrecables use only.

SKI BIBS: Each participant of The Unrecables shall be issued a numbered bib. Each individual is responsible for returning the bib by the end of the weekend. However, if bibs are not returned at the end of the weekend, there shall be a \$10.00 charge for each bib. You will be unable to ski with us again until you either return the bib or pay for it. If you are given a bib to return for someone else, it becomes your responsibility. These bibs are to be worn during ski lessons only. Please do NOT wear them at any other time.

EQUIPMENT: If any Unrecables equipment is needed, please indicate on your Trip Reservation Form. Disabled skiers will be accommodated on the availability of instructors and equipment. Instructors are respon-

sible for all equipment used and for its return at the end of each day. Don't forget sunglasses, hats, gloves, sunscreen, etc. Everyone is responsible for the clean up of the equipment area.

LIFT LINES: There is no line cutting when free skiing. During lessons, you may use ski school entrances. Ski bibs are to be worn only while in a teaching situation.

LESSON TIMES: All lessons will be from 9:30am to 11:30am and 1:30pm to 3:30pm on Saturday. Sunday lessons are from 9:30am to 11:30am. All times are approximate. Saturday and Sunday morning we meet in the Roma Room in the main lodge cafeteria to get tickets, ski bibs and lesson assignments.

LESSON EVALUATIONS: Evaluations are very important for keeping our ski school progressive and efficient. Without these evaluations, the ski school, the Board, students, instructors, and instructor candidates cannot keep a progressive lesson plan per student or instructor candidate. This information is essential to pick up where you left off (ie. equipment setting, overall performance, etc.).

Familiarize yourself with the evaluation forms. You must fill these out and submit them each weekend. Saturday lessons will be evaluated no later than Sunday morning, before you will receive a lift ticket for Sunday. Evaluations for the Sunday lesson will be handed in at the equipment area with bibs at the end of the lesson.

INSTRUCTOR TRAINING CLINICS/FREE SKI DAYS: On these days, instructors will have a training clinic on Friday morning and may ski free on Friday and Sunday afternoons which is a fringe benefit for instructors for donating their time teaching within The Unrecables ski program. If you ski Friday, you **MUST** teach that whole weekend.

INSTRUCTORS: Instructors on the ski trips will meet in the equipment area by Chair 11 at the end of the day. Please help in putting the equipment away. Please do not leave until the equipment is put away at the end of each day.
